

# Every second counts

All the **86.400** brilliant seconds on good days

&

The **1** tiny micro second on hard days

If it is too hard, remember the 4 Steps:

- 1) Acceptance
- 2) Desire
- 3) Preparation
- 4) Action

Acceptance of what is, will bring you peace.

So you can do what you deeply desire  
with ease.

Become a second collector.

Transform your life.

From my heart to yours,

Simone Jaeger

makimu, I m here for you.
